INTELLIGENCE ADVISORY COMMITTEE

Proposed Change of Name of

Intelligence Working Group

1. At a meeting on 30 September 1954, the Intelligence Working Group (IWG) approved a change in its name to Economic Defense Intelligence Committee (EDIC). The IWG has requested that the Intelligence Advisory Committee approve this change.

2. The IWG was established on 25 July 1952 under authority of IAC-D-53/1. Experience has indicated that the present name and initials do not adequately reflect either the mission or present functions of the group. At least two other Washington interdepartmental groups are also known by the same symbol -- "IWG". The symbol "EDIC" is not found in Abbreviations of Intelligence Interest (CIA/CD/13, dated July 1954).

3. Please telephone concurrences or non-concurrences in this proposal to the office of the Secretary by the close of business, Friday, 22 October.
